

Attendance and Lateness

Good time keeping means ...

...making sure your child is at school and ready to learn for when school starts

Did you know that being 15 minutes late each day is the same as missing **two weeks** of school each year?

Lost minutes = lost learning!

Every school day matters

Every minute is important!

School doors open at 8.45 ready for an 8.55 start to the day. It is important that children are ready to start school at that time. Lateness not only affects the child who is late, but also their entire class.

Class teachers will be contacting parent/carers to discuss any persistent lateness as it is so important that your child's learning is not disrupted and they are set up ready for the school day.
