- **Headteacher report:**

Sun Hill Junior School are extremely lucky to have the FOSHJS. I am enormously grateful to the friends who work tirelessly to support our school and enable us to offer and achieve the very best for all our children. I can't thank everyone enough for all that they do week in and week out for the school.

The list of things you support us with is huge but I would like to highlight just some of the ways that the FOSHJS enhances all that we do:

1. the new sound system , which we hope to be installed before the year 6
2. World book day- gifts and prizes
3. SATs breakfast
4. Discos
5. Wellbeing day

This year's wellbeing day was a huge success. The activities planned and the organisation of the day made it brilliant for all. I had so much positive feedback from children and staff.

I am grateful that you understand, like many other schools in the UK now, finances are extremely tight and we appreciate any additional fund.

I would also like to acknowledge that it is not all about raising funds, the staff and friends work exceptionally hard to ensure the children have a positive experience during their time at Sun Hill. Providing memorable experiences for the children is just as important and they certainly have some wonderful memories of events provided by the friends in the just the last term alone.

I have wanted to develop the use of the school grounds for a long time and it is something I have spoken to the friends about previously. After the success of wellbeing day I would really like to explore setting up a forest school and training a member of staff and would like to ask Friends to support raising money to accomplish this.

- **Chair report:** Thank you to everyone who helped at the Jubilee. No more, glitter flags please. Well attended as a stall. Amount raised not yet known. Thanks to all who helped at wellbeing day. Good feedback of the day. School would like it run annually in a similar format.
