

Sun Hill Junior School Newsletter

Friday message from Mrs Griffiths

Dear Parents/Carers,

We started this week with an assembly on sharing and how this links to our school rule of being kind and our learning value of support. We thought about all the ways that we share and therefore support each other.

Our classrooms have been buzzing with activities that promote the spirit of sharing. The children have been sharing their thoughts during class discussions, collaborating in group or paired learning and supporting one another's learning journeys. It's wonderful to see how the simple act of sharing can enhance the overall educational experience for everyone involved.

We appreciate the ongoing partnership between parents and teachers. Your involvement in your child's education is invaluable. Whether it's volunteering your time, or participating in school events your contributions strengthen our school community. We have some wonderful volunteers coming into school to hear children read, helping to keep our library looking inviting for the children to use and participating in school trips as well as all of those who support the school through FOSHJS.

Upper school were extremely lucky this week with a visit from one of the archaeologists, from the excavation team which featured on 'Digging for Britain'. She came in to share her experiences and the finds found at the Anglo Saxon dig on Sun Lane, Alresford.

Thank you for your continued support and commitment to Sun Hill Junior School in building a community and values collaboration, empathy and the spirit of sharing.

I hope you all have a lovely weekend.

Mrs Sue Griffiths

Make a Difference Bench

Our Wellbeing Ambassadors were joined by Bingo (our PAT dog) in the glorious sunshine last week to launch our new M.A.D (Make A Difference) bench. The children were delighted to be donated this beautiful bench by Lazy Susan Furniture. This is to be our new Wellbeing Bench and a gathering point for those children who are happy to support others to join in their play.

Our Wellbeing Ambassadors will be on hand around the bench to support anyone who needs it and are very excited to help. This generous donation will make a big difference to the children's playtimes. Thank you 'Lazy Susan'!

Local Advisory Board for Perins and Sun Hill

The Perins Multi Academy Trust is governed by a Board of Trustees who are accountable to the Department of Education. It has the overall responsibility for the running of the two schools currently operated by it, Perins and Sun Hill Junior School.

For a number of years the MAT has had a Local Advisory Board, whose role is to liaise with the Trust Board, normally through a Trustee who attends its meetings.

The LAB has a maximum of 15 local advisors, who are elected parents/carers and staff from both Schools. It meets at least once a term in the evening on school premises.

The role of the LAB is

- to promote the vision, mission and values of the MAT within the Schools and the local community; and
- to monitor the satisfaction of students and parents and carers by reviewing matters referred to them by the MAT; and
- to support the Schools in developing partnerships with each other, with external bodies and within the local community in line with the strategies and policies of the MAT; and
- to make suggestions for improving the Schools, supporting the curriculum and increasing curricular and extra-curricular learning opportunities for students; and
- to monitor and contribute to the effectiveness of the safeguarding, child protection and general welfare arrangements at the Schools.

It is an opportunity for parents, carers and staff to make suggestions as well as to provide information and feedback to the Trust Board.

The MAT currently has **up to five vacancies** on the LAB and is looking to fill them. If there are more than five candidates who meet the criteria, there will be an election.

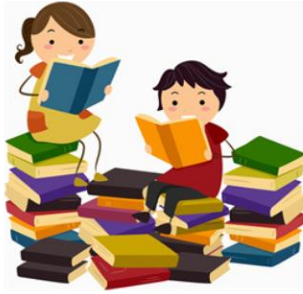

If you are interested in applying or would like to know more, please make contact with the schools as below:
