Autumn Term Teaching Focus	Spring Term Teaching Focus	Summer Term Teaching Focus
Word Reading Apply knowledge of exception words, root words, prefixes and suffixes/word endings and to decode any unfamiliar words with increasing speed and skill, recognising their meaning through contextual cues.		
Fluency Notice more sophisticated punctuation, for example parenthesis and relative clause sentences, and use expression when reading aloud.	Fluency Show understanding through intonation, tone and volume so that meaning is clear to an audience.	Fluency Pupils should now be reading at a rate above 115 words correct per minute.
Comprehension Ask questions to improve their understanding of a text. Provide reasoned justifications for their views.	Comprehension Make links between the authors' use of language and the inferences drawn. Skim and scan efficiently for vocabulary, key ideas and facts on both the printed page and screen.	Comprehension Produce a succinct summary, paraphrasing the main ideas from across the text or a range of sources.
Year 5 End of Year Pen Portrait Pupils read a wide range of age-appropriate texts fluently. They ask questions to enhance this understanding and are able to make comparisons within and across different texts. Through discussion, they show that they are able to build sound inferences relating to a characters' feelings, thoughts and motives. They justify these inferences with evidence from the text. They are beginning to distinguish between fact and opinion. Pupils can summarise the main ideas drawn from more than one paragraph.
